The discussion focused entirely on the Oregon non-point source program.

Looks like this was today at 3:15? Did you attend? If so, can we get a report out?

Ethan,

The Region 10 Regional Administrator requested a briefing with the Administrator, which is scheduled for 3:15pm. I just forwarded that invitation to you.

The primary reason OGC got itself invited to the briefing relates to the OREGON coastal nonpoint source program, but based on the subject line and attached briefing materials, [Non-Responsive]

[Non-Responsive]

I'm including Allyn Stern per Steve N's suggestion to see whether she has a sense about what/how much Dennis will discuss the Washington matter.

Thanks,

Steve

Importance: High

Hi Alison-

Please see the briefing materials for tomorrow.

On OR CZARA- The briefing attached was given to Ken Kopocis last week and was prepared by OW (I updated the coversheet). Dennis has a meeting with the state of Oregon later tonight to discuss this Oregon's coastal nonpoint program (which is under CZARA); he will most likely have updated information for the Administrator during tomorrow's briefing.

I JUST received the [Non-Responsive] I can pull something together quickly if you need it. These materials were sent from Dennis to the Administrator directly last week, so this isn't the first time she has seen it.

Let me know if you need anything else!!

Kendra
